ROSIE'S WILD RIDE

CHASING BIG DREAMS

BY

PAIGE MURRAY

ILLUSTRATED BY

KRISTEN HUMPHREY

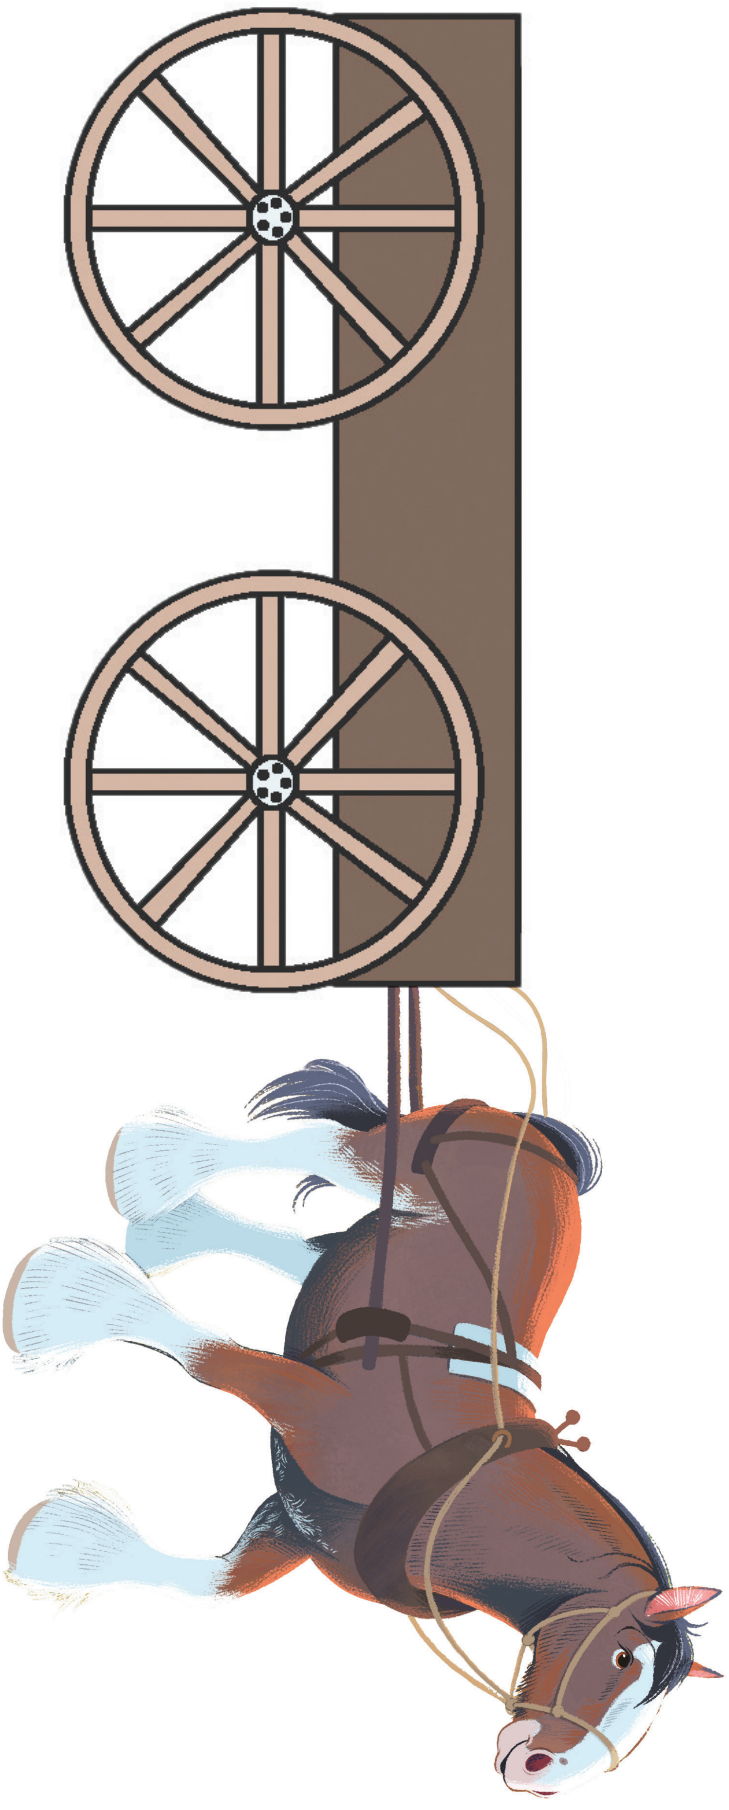

MEET ROSIE, THE BIG HORSE WITH EVEN BIGGER DREAMS!

ROSIE THE CLYDESDALE is a BIG horse. She likes her life on the ranch and helping the rancher with his chores, but she also has a secret dream: she wants to be a rodeo star. She finally gets her chance when she teams up with a plucky little cowgirl named Oakley, but the rodeo events aren't designed for a big horse like Rosie. When a rogue bull disrupts the competition though, Rosie and Oakley might be the only ones big and brave enough to stop him!

This debut picture book by Paige Murray, wife of nine-time world champion cowboy Ty Murray, is a sweet story about resilience and self-confidence based on real animals from her family's Texas ranch.

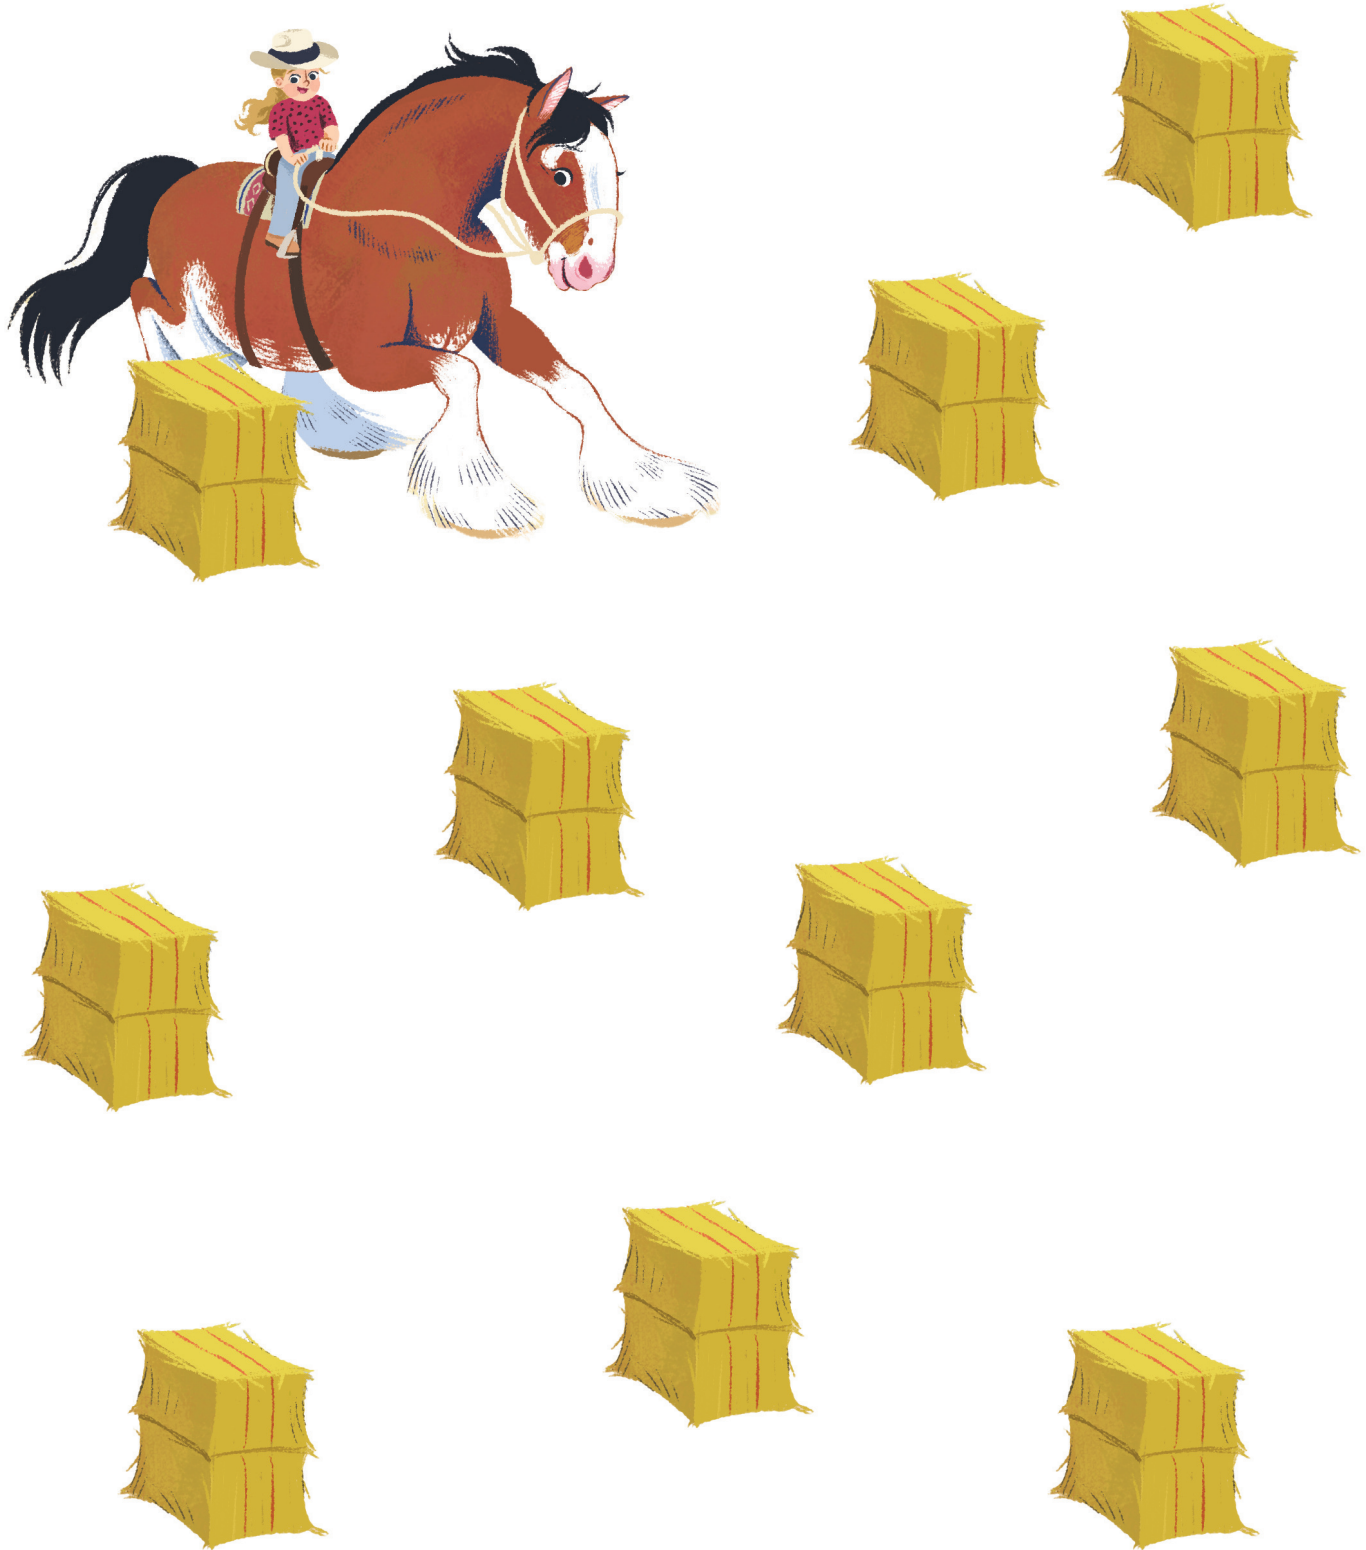

RANCH WORK

Rosie is a big, strong Clydesdale horse. She helps the rancher with his chores. Draw ranch items in the cart for Rosie to pull!

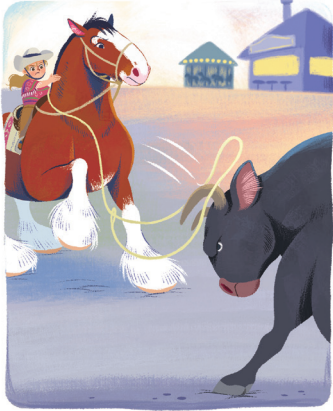

BARREL RACING

Rosie and Oakley practice barrel racing by running around bales of hay in the pasture. Create a route for Rosie and Oakley that circles every hay bale.

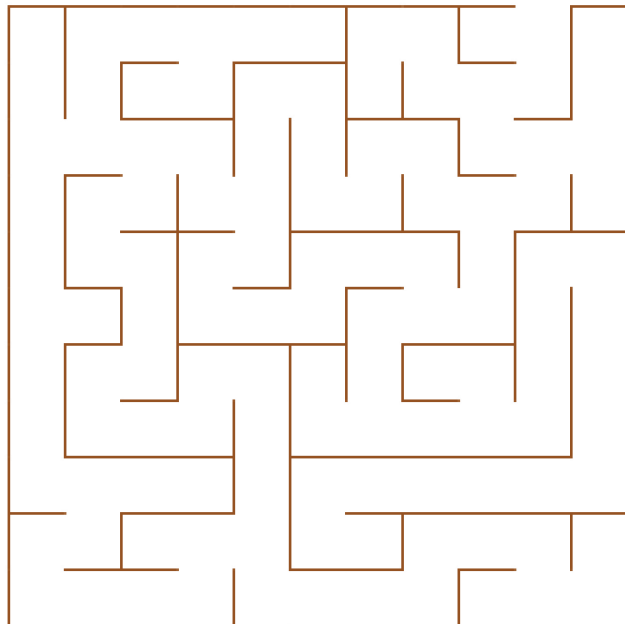

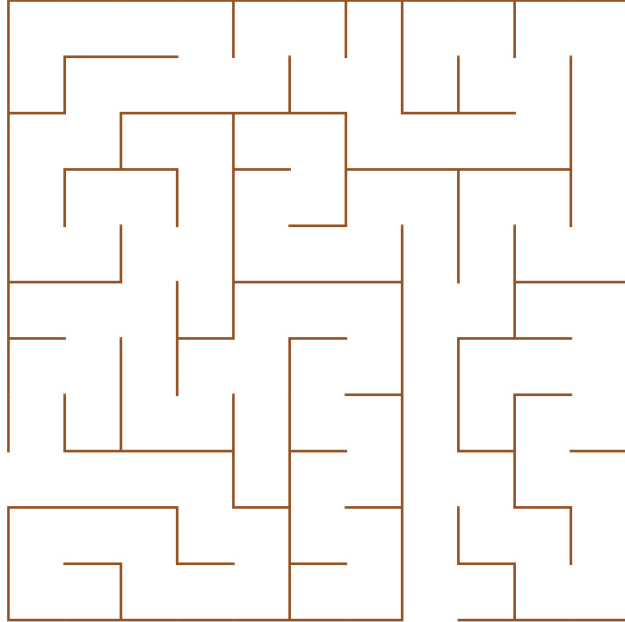

RODEO STARS!

Rosie and Oakley might not be the best at bronc riding, calf roping, or barrel racing, but they save the rodeo with their strength and courage! Help Rosie and Oakley pull the runaway bull back to his pen.
